STUDENTS' FEEDBACK REPORT 2016-2020

The feedback received from the students from 2016-2020 on analysis was found to have marked the teaching – learning process satisfactorily although there is room for improvement.

1. They felt that more suggested and prescribed books should be added relating to the syllabus.
2. The increased use of ICT in the classrooms was recommended and overcrowding of classrooms to be minimized.
3. The coverage of the syllabus was marked as very good.
4. Ability to communicate and approach to teaching was graded well.
5. Fairness in internal evaluation was also marked as good.
6. On the parameter of the institute taking interest in promoting internship, student exchange, field trip the students were very satisfied.
7. Teachers encouraging students to participate in extracurricular activities were ranked highly by the students.
8. Percentage of teachers using ICT such as LCD projector, Multimedia etc in teaching was rated as neutral. Hence this area needs improvement. However post feedback steps have been taken to enhance ICT facilities in classrooms
9. Efforts made by the institute to inculcate soft skills, life skills and employability skills was commented as agreeable or good.
10. The mentoring process was found to be satisfactory. Mentor-mentee interactions are allowed even on frequent basis, depending on need.
