## Movie screening

A movie was screened on March 18<sup>th</sup> 2021 at 2:15 PM at Seminar hall Dimapur Government College for History honors students B.A 2<sup>nd</sup> and 4<sup>th</sup> Semester. All the faculty members were present for the movie screening along with the students.

This documentary video was created by North East Zone Cultural Centre Dimapur-Nagaland. From the perspective of people seeking to find the remains of what once existed as a very important and significant part of their daily life now going extinct. The documentary was a lively one which showed the villagers at their natural condition and environment with lively interviews being conducted with village elders who had tattoos. The documentary was showed to the students to instill an interest among the students about their history and to show them how cultural practices are changing with time. It also exposed the students to how contents are being created and how history is being recorded with the help of modern technology.

This documentary was created by a team commissioned by the NEZCC to document the dying art of traditional Naga tattoos. A journey fuelled by the urgency of gathering the vanishing remains of a previous life.
