

Multilingualism and the power of language (NEP 2020) p 12

4.9 Wherever possible, the medium of instruction until at least Grade 5, but preferably till Grade 8 and beyond, will be the home language/mother-tongue/local language...
Thereafter, the home/local language shall continue to be taught as a language wherever possible. This will be followed by both public and private schools.
High quality textbooks, including in science, will be made available in home languages. In cases where home-language textbook material is not available, the language of the transaction between teachers and students will still remain the home language wherever possible.
Teachers will be encouraged to use a bilingual approach, including bilingual teaching-learning materials, with those students whose home language may be different from the medium of instruction.
All languages will be taught with high quality; a language does not need to be the medium of instruction for it to be learned well.
