The processes for submissions of the Annual Quality Assurance Report (AQAR), Self Study Report (SSR) and the subsequent Data Validation and Verification (DVV) process were elucidated him. The quality initiative of being successfully accredited by NAAC would enhance the credentials of the institutions.

Comprehensive interactions were held with the Principal, Management and faculty of both colleges. During the interactions, several suggestions and inputs were shared with the members of both colleges on how to prepare for NAAC Assessment. The most significant recommendations from the mentor college included:

1. To seek immediate registration in the NAAC portal.
2. To prepare for writing the AQAR.
3. Proper documentation of all relevant activities with signatures and dates.
4. Maintaining records with photographic evidence through geo tagging.
5. Stakeholders such as parents and alumni to be brought on board; Parent Teacher Association and the Alumni Association would be key bodies to add value to the colleges.
6. The Alumni Association to be registered under the Societies Registration Act, 1860.
7. To encourage a vibrant students' body and orient them on the process of NAAC accreditation.
8. To carry out the Students' Satisfaction Survey (SSS) and publish its findings in a timely manner.
9. Signing of Memorandums of Understanding (MoU) on judicial stamp papers for meaningful collaborations with NGOs and other institutions.
10. To keep the college website updated.
11. Maintaining databases for faculty and students.
12. Focus on research activities – bring out a journal with an ISSN number.

The members of both colleges raised several queries and also highlighted the problems and challenges they were facing. In conclusion, the Principal and the DGC IQAC team extended full assurances of support whenever the need would arise in the future in the colleges. Contact details were exchanged with members of both colleges by the DGC IQAC contingent for further communication. The mentoring sessions ended with lunch at the City College of Arts and Commerce.

*** Report on Study Tour to Shillong, Meghalaya by Students of BA 6th Semester English Honours from 11th – 15th of April 2022**

Twenty three students of BA 6th Semester English Honours undertook a Study Tour to Shillong, Meghalaya from 11th to 15th of April 2022. The tour was led by a faculty member and an alumna of the department. We left Dimapur on 11th April at 4:00 pm and reached Nagaland House, Shillong at 4:30 am.

On the first Day i.e on 12th, we visited Don Bosco Museum where we witnessed the rich cultural lifestyles of the people of North East India displayed through their art and sculptures. After the museum, we headed to NEHU campus and explored the campus, the important sections and buildings of NEHU. On the second day, we set out to "Seven Sisters Falls" & "Mawsmai cave" at Sohra which is 25 kms/2-3 hrs away from Shillong. We were totally amazed by the unique beauty of the rocks hanging like bee hives. A planned visit to Seven Sisters Falls was unfulfilled as we could not see the view of the falls due to very thick fog blanketing the entire scene. We had to visit another waterfall which was a few kms away. The waterfall, named "Lyknsiar waterfall" was worth visiting. We spent a few hours there capturing pictures and had fun with our friends. On our way back, we met some local Kongs (Khasi women) with whom we

had an interaction about their culture and lifestyle. They offered us corn and kwaI (offering kwai is a gesture of goodwill among the Khasis).

On the 3rd day, we visited "Wards Lake" where we met new people from various places and enjoyed the boat rides. Later, we went to Police Bazaar to check out some souvenirs. The fourth day being Good Friday, we conducted a short program with a prayer, songs and some sharing. The program was a blessing as we all got to know each other better through the sharing experience. It was also the day for us to get back home, and everyone proceeded to pack with a heavy heart. At around 3.00 pm we left Nagaland House. We finally bid farewell to Shillong at 5:30 pm and reached Dimapur at 4:30 am on the 16th.

Besides all the fun and good food, the best part of the trip was getting to see the people, customs and places that are mentioned in our current paper on North East writings.

***** The weekly assembly of Dimapur Government College was conducted on Monday, the 18th of April 2022, by the department of Education in the college auditorium. It was chaired by Chuchangren. *** Orientation on Implementation of NEP 2020 with Choice Based Credit System (CBCS) at Undergraduate Level held on 20. 04. 2022 in Dimapur Govt. College**

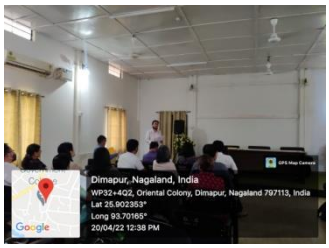
Nagaland University in collaboration with Higher Education Department, Government of Nagaland organized an orientation program for Dimapur Zone (Colleges under Dimapur/Chumoukedima/Peren/Niuland/Mon districts at Dimapur Govt. College on 20.04.2022 from 11.00 am onwards.

The invitation to attend the program was extended to Principals of Colleges with two teachers/representatives of their respective colleges. Altogether 86 participants from 25 colleges attended the programme. Dr. Medongoi Rhakho, Deputy Director, Department of Higher Education, who was the Coordinator of the programme gave a brief introduction and explained the rationale behind the orientation. Dr. M. Libanthung Ngullie, Principal, DGC & District Higher Education Officer, Dimapur welcomed the participants and expressed his expectations for an enlightening interactive session.

Resource Person Prof. Dipak Sinha, Nodal Officer, CBCS, Nagaland University gave a presentation on the topic titled "Choice based Credit System (CBCS) incorporating NEP 2020." He began by outlining in brief the advantages of NEP 2020, and its focus on flexibility by introducing a more holistic and multidisciplinary form of education. Higher education in India under UGC is introducing CBCS to enable uniformity in course structure/syllabi in the whole country. With credit transfer made possible, students are given more options. After naming some countries where CBCS is offered, he explained how the UGC CBCS system functions. He then highlighted some concerns that have to be addressed like - high total number of papers, space and classroom constraints, subject combinations, how generic papers can be offered, job oriented skill enhancement courses, value based courses, how credit transfer from SWAYAM can be done, and how some NEP requirements like soft skills/skill based courses/credit transfer/academic credit bank/project training etc, are to be included in the guidelines. Some concrete examples on how to redress these issues were given after which he offered some suggestions on further steps to be taken.

Commonly asked questions about CBCS along with their answers were also shared with the gathering. This was followed by an interactive session where the participating colleges cleared their doubts and expressed their views.

Dr. Lily Sema, Additional Director, HTE cum Principal, Kohima Science College, Jotsoma & District Higher Education Officer, Kohima also interacted with the participants. She welcomed suggestions and combined efforts for a smooth transition to the CBCS system.



After lunch break, Dr. Lily Sema held a meeting with the Principal, Vice Principal, Curriculum Committee and HODs of the various departments of the college. The preparedness of the college

for introduction of CBCS was discussed and the participants explained their institution's/committee's/departments' positions, with the visiting official offering some practical inputs on how to begin the process of implementing the new system.

*** Department of Economics Report on Study Tour 2022 on 20th April, 2022**

The Department of Economics, Dimapur Government College (DGC) organised study tour for the students of BA 6th semester Economics Honours to Sheep Farm Poilwa, Peren District and Mini Hydro Project, Dzüleke, Kohima District under the theme "**Economy of Rural farming**" on 20th April, 2022.

The final review of AQAR for the year 2020-21 was held in the faculty meeting on 13th May 2022 in Room No.1 at 12:00 noon. At the beginning, the Principal Dr. M. Libanthung Ngullie, gave some important announcements with regard to the introduction of CBCS and admission process, upcoming college magazine, difficulty in the continuation of community college and acknowledged the extra labour the new IQAC team has put in to prepare the pending 2020-21 AQAR within a short notice. Dr. Vinyuhu Lhoungu, the new Coordinator, IQAC, DGC explained the position that the college 2nd Cycle NAAC assessment was due in November 2020 but due to pandemic and lockdown throughout the country the Peer Team could visit the college on September 28-30 2021. After receiving the 2nd Cycle NAAC assessment result the college has gone for Appeal which took time to get the response from NAAC office and in re-submitting the documents for Re-DVV clarifications. In the meantime, both the old and new IQAC team as well as the principal were in confusion as to when AQARs has to be prepared and submitted. Dr. Lhoungu also clarified that on sending query to the NAAC office and consequent response received from NAAC office, every accredited college had to submit AQAR every year irrespective of the results. In this regard, Dr. Lhoungu informed that the NAAC office has specifically given an extended date to DGC to submit the pending 2020-21AQAR with 15th May

2022 as the last date. He gave a power point presentation of the prepared AQAR for the year 2020-21. Views and suggestions given by the senior teachers and faculty members were discussed and incorporated in all the seven (7) criteria of the 2020-21 AQAR.
