

A BRIEF PROFILE OF DIMAPUR GOVERNMENT COLLEGE

Established in the year 1966, it started with the initiative of some prominent citizens of the town to provide an opportunity for higher studies to those who could not afford to go outside Dimapur. Dimapur College, as it was known before being taken over by the Government of Nagaland, was inaugurated on the 25th of July 1966 by Shri. M. Kithan, the then Honourable Minister of Education, Government of Nagaland. In the initial years, the College was affiliated to Gauhati University. With the establishment of North Eastern Hill University (NEHU) the College was affiliated to it from 1974 to 1993. It is now affiliated to Nagaland University since the latter's inception in 1994. After the College was taken over by the Government of Nagaland on 1st February 1989, it was named Dimapur Government College. The College runs Degree programmes in Arts & Commerce streams. Vocational programmes in Hospitality and Management and Floriculture have been running smoothly under the Community College and DGC RUSA Committee respectively. It is a co-educational institution.

The College nurtures the values of moulding its students with knowledge, skills and required training directed towards holistic education. Through education, opportunities are created and lives changed to impact the future. The College is dedicated to a quality teaching-learning environment. It embodies integrity in everything that is done with collective effort. It believes in evolving partnership with the stakeholders, takes pride in the learners and is passionate about their success. The College respects diversity and endeavours to explore new ideas as means towards institutional enrichment.

In 2016 DGC celebrated its 50th anniversary. Recent campus enrichment includes completion of the science block and a hundred-bedded boys hostel. The generous contributions of the faculty members have led to an enhancement of the girls hostel. Moreover, an active and generous Alumni Association has constructed a waiting shed cum alumni-office at the College entrance. The campus also has its own power transformer. Infrastructural improvements continue at a steady pace along with the constant endeavour to equip and update the teaching faculty with the required skills for guiding young learners.
