- Dimapur Government College was utilised as a centre for conduct of Entrance Exam for Jawaharlal Nehru University (JNU), 2020 from 5<sup>th</sup> – 8<sup>th</sup> Oct. 2020.
- Department of Education, DGC carried an extension service in the form of a visit and interaction with the inmates of Ebenezer Orphanage Home on 24/10/2020. Food items were also donated to the Home.
- As an extension service, Dimapur Government College has provided its facilities and human resources for conduct of Chartered Accountant Examinations for the first and only such centre in the state of Nagaland from 21/11/2020 to 14/12/2020.

### **BEST PRACTICES**

#### **Best Practice - 1**

**1. Title - Students' Welfare Initiatives**

- The College has 1316 undergraduate regular students. Each year the college received a good number of students who comes from economically weaker section. Thus, to give financial aid to the deserving students, the Students' Welfare Committee selects a few from amongst the poorest of the poor students especially those without parents, and extend a minimum financial assistance to them. The amount is fixed at Rs.400/- per month per student for 12 months subject to renewal after 1 year.
- For the meritorious students' different awards namely, Dr. Hokishe Sema award for topper in Arts stream from the college, L.T Yephthomi award for topper in Commerce stream from the college and other subject toppers like English, Economics, History, Political Science, Philosophy and Education were given out on 12/11/2020.
- Experts from various fields have visited the college for career guidance and counselling.

#### **Best Practice - 2**

**1. Title - Green Campus Project**

- The college, through its green campus initiative, continued to identify the various environmental issues and take necessary steps to achieve the goal. Through its various cells like the Eco and beautification club, the Students Council, DGC RUSA Monitoring Cell (DRMC), the NCC and NSS, regular tree plantation is carried out. In addition, different species of medicinal and herbal plants are planted and identified in the college campus.

- To keep up its tag as one of the cleanest government colleges in the state of Nagaland, the college has conducted regular social work and cleanliness drives in and around the college campus where all the college community participate.
- To create a healthy living condition and spread awareness on health issues, the college campus has been declared as tobacco and also plastic free zone. Keeping in tune with this declaration, use of single-use plastics and tobacco products are strictly prohibited to make this commitment a reality.
- The college also has continued maintaining the nursery cum park under floriculture and ornamental pond which is maintained by DRMC.
- Beautification of college campus is regularly monitored by Eco and Beautification cell of the college.
