

DIMAPUR GOVERNMENT COLLEGE
Dimapur, Nagaland
Naac Accredited Grade B+

LIBRARY ADVISORY COMMITTEE

Annual Action Plan: June 2022 - May 2023

- The collection of the library is being increased every year and is an ongoing process. However enhancement of the library budget for purchase of books will be taken up for discussion in the LAC meeting.
- The library is subscribing to 15 print journals at the moment. The subscription can be enhanced for each department. However it is preferred that journals in UGC Care list is to be subscribed. Towards this end HoDs and department faculty are to be informed before they give their list for subscription.
- Some popular magazines and periodicals can be subscribed for the library. At the moment employment news with 2 national paper and 2 local papers are on subscription.
- The software “caliber” is to be installed in the library to provide more e resources for the users.
- Due to space constraints in the present library only the server machine may be installed at the moment.
- A library visit for the library staff to a good library in and around Dimapur can be identified for the benefit of the staff. This will expose them to the working system of other libraries and can be a learning experience for all concerned.
