

11. 14th March, 2023: Report on National Skill Development Corporation (NSDC) orientation programme by Skill Development Committee.

An orientation programme for all B.A and B.Com. 6th Semester students on skill training programme under the NSDC was held in the college auditorium on 14th March, 2023 at 11 AM. It was organised by Skill Development Committee.

The orientation programme started with a welcome note by Dr. Maongkala Longchar, Convenor, Skill Development Committee. This was followed by Prof. Sanjay Sharma, Principal, Dimapur Government College orienting the students. He began by sharing about the successful registration of Dimapur Government College as a Skill Hub and emphasised on the importance of learning skills as it not only provides more livelihood opportunities but also empowers and equips us with necessary life skills. He then informed the students that the college would be providing skill training in 4 trades- Sewing Machine Operator, ICT Coordinator of School Level, Electrician and Beauty Therapist (Senior Level). He exhorted the students to actively participate and avail the opportunity.

Another orientation programme on the same matter was held for all B.A and B.Com. 4th Semester students on 16th March 2023 at 12 PM, college auditorium.
