

DIMAPUR GOVERNMENT COLLEGE

Dimapur, Nagaland
Naac Accredited Grade B+

Research & Development Cell

Introduction:

The formerly known as Research Committee has been reconstituted as Research & Development Cell (RDC) on 14th February, 2023 in accordance with the guidelines of the University Grants Commission (UGC) dated 4th March, 2022. The nation in its NEP 2020 envisages the promotion of quality research within the Higher Education system. Research and innovation are important aspects to enhance quality education by the Higher Education Institutions (HEIs). The societal challenges of the country can only be addressed by having a strong and vibrant higher education ecosystem with an emphasis on research, innovation and technology development. Hence, the establishment of Research & Development Cell (RDC) in the institution will enable attainment of targets of self-reliant and is expected to play a pivotal role in catalyzing multidisciplinary research culture in the country.

Vision:

To put place a robust mechanism for developing and strengthening the research ecosystem within the institution, aligned with the provision of the educational policy of the country.

Mission

1. To create a conducive environment for enhanced research productivity.
2. To encourage collaboration across industry, government, HEIs, community-based organizations and agencies at local, national and international levels.
3. To facilitate greater access to research through mobilization of resource and funding.

Objectives

1. To provide opportunities for prospective research in the institution
2. To establish a strong research dissemination system
3. To facilitate the researcher and the relevant collaborating agencies
4. To establish a special purpose vehicle to promote researchers and innovators, identifying potential collaborators from various agencies.
5. To have better coordination among other cells of the institution.
6. To serve as a nodal center for ideation and conceptualization of research themes.
