

## DIMAPUR GOVERNMENT COLLEGE MENTORING COMMITTEE

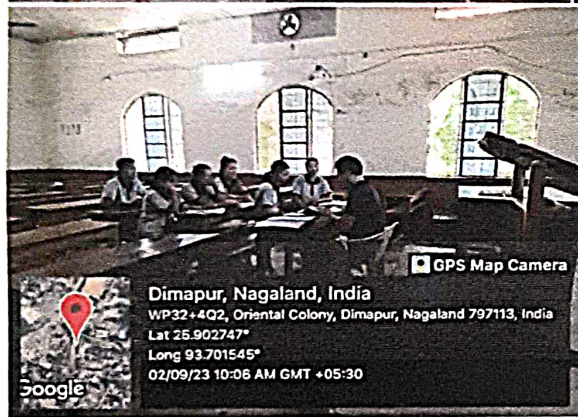

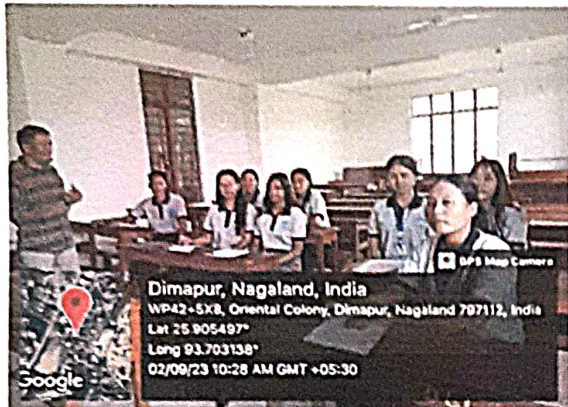

### Consolidated Reports for the period June 2023-May 2024

Under the Dimapur Government College (DGC) Mentorship Programme, the Mentoring Committee organized the first mentoring exercise of the academic year 2023-2024 for odd semester on 5<sup>th</sup> August 2023 for all the 3<sup>rd</sup> and 5<sup>th</sup> semester students at 12:30 pm. Mentoring programme was incorporated in the daily class routine with the mentoring session to be held on the 1<sup>st</sup> Saturday of every month after the classes as directed by the Principal's office. The First semester students were excluded to this meeting to enable them to acclimatize to the new environment before they meet their respective mentors.

The first interactive mentoring session for the batch of 2023 was carried out on 2<sup>nd</sup> September 2023 exclusively for the 1<sup>st</sup> semester students. Mentoring exercise was carried out for 532 students which were assigned to 59 teachers. Out of 532 students, 449 are Arts students and 83 are from Commerce. Bio-data format were distributed to all the newly joined students which the students have to filled up and submit it to their respective mentors for mentor-mentee record and reference. The committee also distributed Mentor-Mentee list batch of 2023 in hard copy to the entire department HoDs.

The monthly mentoring session for all the semesters began from October 2023 onwards. Efforts were made by the Committee to allocate replacement-mentor for transferred/retired faculty or on those on extended leave such as study leave/maternity leave. Besides the mentoring sessions on Saturday, informal meetings between the mentors and mentees are being carried out on need basis. With a purpose to helping students to make the most of their stay at DGC so that upon their exit from DGC, they may take not only a degree but also some of the vital skills required to be contributing members of the society, it is hoped that the college mentorship programme will be an agency to facilitate better bonding between the students and the faculty who are responsible for eliciting the best from them.
