9. 16th NEN bio-diversity festivals:

The Economics Department of Dimapur Government College attended the second day of the 15th NEN Biodiversity festival on 7th march with 4 teaching faculty and 7 students with the objective to immerse oneself in learning about the importance of various species while also engaging in meaningful networking with experts and like-minded conservation enthusiasts. The overarching objective was to emerge more informed, connected and motivated to contribute positively to biodiversity conservation.

The 16th edition of the NEN biodiversity festival was held on 6-7th march 2025 at Chizami, with the theme “Nurturing Health, Wellbeing and Resilience: Sustaining our future together.” It was organized by the North East network (NEN) which is a women’s rights organization. It was founded by

Dr. Monisha Behal who is also the chairperson of NEN. This festival aimed to celebrate and raise awareness about the variety of life on earth including birds, animals, plants, insects and microorganism as well as the ecosystems they inhabit. It seek to educate the public about the importance of conservation, highlight the threats to biodiversity and encourage actions that support sustainable living and biodiversity conservation.

The main highlight of the event included the biodiversity exhibition and farmers market. The exhibition stalls showcased photography by photographer and conservationist from Green Hub, Natural fiber and traditional dyes by NEN enterprise- Chizami weaves, Chizami community seed bank, Medical plants curated by NEN and uncultivated edible plants by Enhulumi community knowledge holder, traditional potter from Runguzu Nasa and exhibition of poster by Chizami students. The farmers market participants consisted of the SEWA Dukaan, Kohima, Dzudu- Honey, Khutsami village, SEWA Shamator, Phor millet sisters, Local women entrepreneurs from Chizami, Phughi bamboo youth collective, Pathso youth collective- Bamboo and natural fiber, Li Cheh Kro and Chizami weaves.

The second day of the festival i.e., 7th March was attended by 202 diverse stakeholders including farmers, community leaders, women and youth from 23 villages from 6 districts of Nagaland, community- based organizations, government representatives from Department of Agriculture, KVK Porba, NGOs- FES, NCCAF, High land institute, Pabhoi Greens, Wildlife Conservation Society (WCS) Nagaland and DIET-Pfutsero.

The program consisted of various speakers who illuminated and addressed the importance of bio-cultural diversity conservation and the responsibility that each individual has in conserving the biodiversity. Sir Supongnukshi Ao, IFS, Chief Conservator of Forest, Department of Environment, Forest and Climate Change, Nagaland and Member Secretary, Nagaland State Biodiversity Board. He remarked “The value of biodiversity can be understood through the lens of the relationship we form and strive for with each other in the rest of nature. These relational values are part of people’s individual or collective sense of wellbeing, responsibility for and connection with the environment.” “Food security can be preserved only if we conserve our biodiversity.” The other important highlights was “Tour of Earth Market and Biodiversity Exhibition Stalls and the release of Chizami Biodiversity Booklet- BMC Chizami. Solidarity messages was given by Shangnaider, WSDC, Manipur and Rhondeni Kikon, The ANT, Assam.

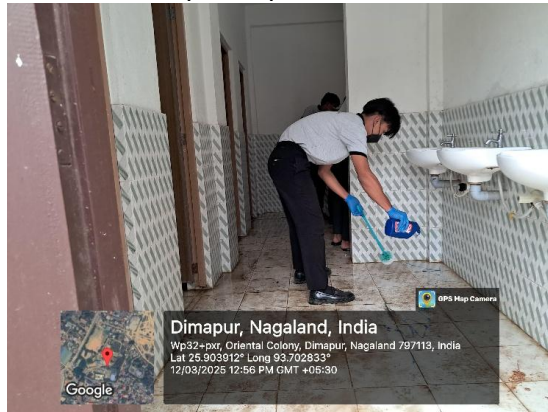

10. Cleanliness Drive

On March 12th 2025, a voluntary cleanliness drive was organised by the 4thsem students of the economics department to address the unhygienic condition of the commerce block washrooms. Twelve students, consisting of 4 boys and 8 girls, participated in the initiative. The drive commenced after classes concluded, focusing on both the boys and girls washrooms.

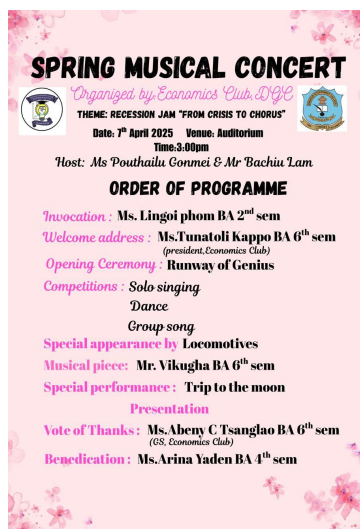

The drive was motivated by the department’s concern regarding the unsanitary state of the washrooms, which was distributed to improper waste disposal and the use of tobacco product by

some students. The blogging of basins due to chewing gums was also a significant issue. Recognising the improvement, the class representation initiated the ideas of a cleanliness drive, which was enthusiastically supported by the students.

The drive was successful due to the collective efforts of the students and the generous support of the faculty. The department provided cleaning equipment and refreshment ensuring the students had the task effectively. The drive was a productive endeavour, demonstrating the department commitment to maintaining a clean and hygiene environment for all students. All together 12 students participated.

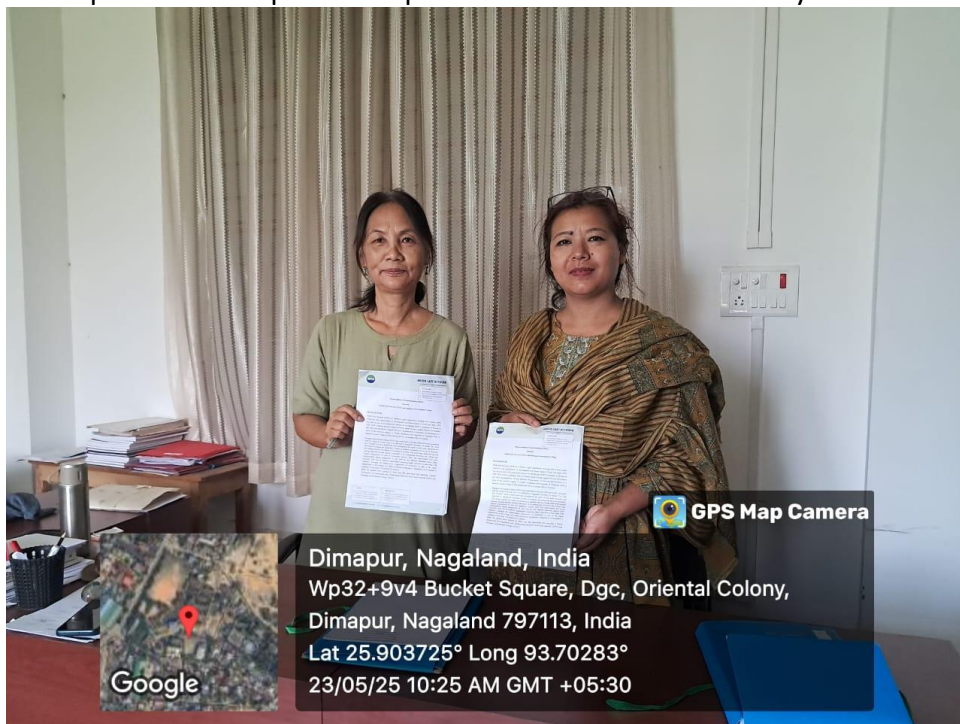

11. The department of economics successfully hoisted the spring musical concert on 7-4-2025 under the vibrant theme “Recession Jam-From Crisis to Chorus”. The event was a lively blend of economics, music, fashion and talent that celebrated creativity. The event was graced by the presence of the Principal and faculty.

12. Department extension programme: On 8th April, 2025, 5 teachers and 10 students from economics department visited the United Block A. Burma Camp to assist victim of fire that occurred in early April. Our aim is to provide support and demonstrate solidarity with the affected families. Essential items such as utensils, food and monetary assistance were given.

13. Extension and Signing of MOU with North East Network (NEN): A Memorandum of Understanding (MOU) was signed between Department of Economics and NEN on 23-5-25. As requested by the department the partnership was extended for another 2 years.
