NAAC Accredited Grade B+

SCIENCE CLUB

Report on “Science Exhibition” on “Fascinating Facets of Science”

The **Science Club of Dimapur Government College** organized a **“Science Exhibition”** on the theme **“Fascinating Facets of Science”** on **8th October, 2026**. The exhibition aimed to promote scientific awareness, encourage creativity and innovation, and provide students with a platform to showcase their scientific knowledge through practical demonstrations and working models. The program also sought to bridge the gap between theoretical learning and practical application, highlighting the importance of science in everyday life.

The inaugural session was chaired by Ms. Tsujang, B.Sc. 3rd Semester. Ms. Sumitra Sonar, Secretary, Science Club of B.Sc. 3rd Semester, offered the opening prayer. Ms. Awabenla and Ms. Thinkhela, B.Sc. 1st Semester students presented a special song, adding a meaningful touch to the opening program. Dr. T. Tiakaba Jamir, Principal of the College and Special Guest in his speech, emphasized on the importance of science and the need to think beyond the textbook and urged students to stay curious and inquisitive to the applicability of science in real life. The Principal appreciated the science students for displaying the fascinating models and the science faculty for initiating the event. He expressed hope that the exhibition would help students to broaden their scientific knowledge, inculcate scientific temperament and encourage innovation. He strongly believed that this exhibition would also inspire and motivate visiting students from different schools, enable them to explore various scientific concepts and gain exposure to the practical aspects of science and hoped that they would join science stream in the future. Teachers and students from four neighboring schools i.e., GHSS, Lengrijan, GHS, Sarbura, Beanstalk School, Lengrijan and Stepping Stones School, Duncan witnessed the exhibition.

In the second session, the “Scientific Model Display and Competition”, the Special Guest and the Judges who were the faculty from the College reviewed the models thereafter the exhibition was open to all visitors. The participating groups presented their respective models, explaining the scientific principles behind their projects, their practical applications and the significance of their ideas. The models reflected the students' creativity, teamwork, problem-solving abilities and efforts to apply scientific concepts to real-world situations. The exhibition featured projects from different areas of science, including sustainable urban development, carbon purification and renewable energy. These projects demonstrated how scientific knowledge can contribute to addressing environmental challenges, promoting sustainability and developing practical solutions for the future. The display also encouraged students to think critically, experiment with ideas and understand the relevance of science beyond classroom learning.

In the closing session, Dr. H. Atoholi Sema, Convenor of the Science Club and Assistant Professor, Department of Chemistry, declared the results and distributed cash prizes and certificates to the winners and participants. The recognition encouraged the students to continue exploring scientific ideas and acknowledged

the hard work, dedication and teamwork demonstrated by all participating groups. The event concluded with the vote of thanks from Dr. Temjennaro Jamir, Asst. Professor, Department of Mathematics.

The Science Exhibition marked an important initiative by the Science Club of Dimapur Government College in promoting scientific learning and fostering a spirit of inquiry among students. It provided a valuable opportunity for students to learn from one another, demonstrate their abilities and appreciate the role of science in addressing real-life challenges. The successful organisation of the exhibition reflected the collective efforts of the Science Club, the college administration, faculty members, participants and volunteers who contributed to making the event meaningful and engaging.

WINNERS OF THE “SCIENTIFIC MODEL COMPETITION”:

First Prize

GROUP 2, Topic: Smart Sustainable City

Team members:

1. Kekhelo Koza (B.Sc 3rd semester, Physics Department)
2. Deikim Guite (B.Sc 3rd semester, Mathematics Department)
3. Suraj Singh (B.Sc. 1st semester, Physics Department)
4. Ilivi S Chishi (B.Sc. 1st semester, Physics Department)
5. Kalibo p Chishi (B.Sc. 1st semester, Mathematics Department)
6. Nyemying konyak (B.Sc. 1st semester, Mathematics Department)

Second Prize

Group 7, Topic: Carbon Purification

Team members:

1. Bendangnungshi R Longkumer (B.Sc. 3rd Semester, Physics Department)
2. Easter Ao. (B.Sc. 3rd Semester, Mathematics Department)
3. Tulasi Dhakal (B.Sc. 1st Semester, Mathematics Department)
4. Chingwang Konyak (BSc. 1st Semester, Mathematics Department)
5. Tiarenla Longchar (BSc. 1st Semester, Physics Department)

Third Prize

Group 10, Topic: Wind Turbine

Team members:

1. Shreya Devi (B.Sc. 1st Semester, Physics Department)
2. Themhai Lam (B.Sc. 1st Semester, Mathematics Department)
3. Baman C Nyam (B.Sc. 3rd Semester, Mathematics Department)
4. Risangnok Imchen (B.Sc. 3rd Semester, Physics Department)

GLIMPSE OF THE SCIENCE EXHIBITION:

Pic. 1. Chairperson: Ms. Tsujang, B.Sc. 3rd Sem. Pic. 2. Opening Prayer: Ms. Sumitra Sonar, B.Sc. 3rd Sem.

Picture 3. Acknowledgement to the Special Guest, Dr. T. Tiakaba Jamir, Principal, DCG.

Picture 4. Speech by the Special Guest, Dr. T. Tiakaba Jamir, Principal, DGC.

Picture 5. Special Song by Ms. Awabenla & Ms. Thinkhela, B.Sc. 1st Semester.

Picture 6. Participants in the Science Exhibition.

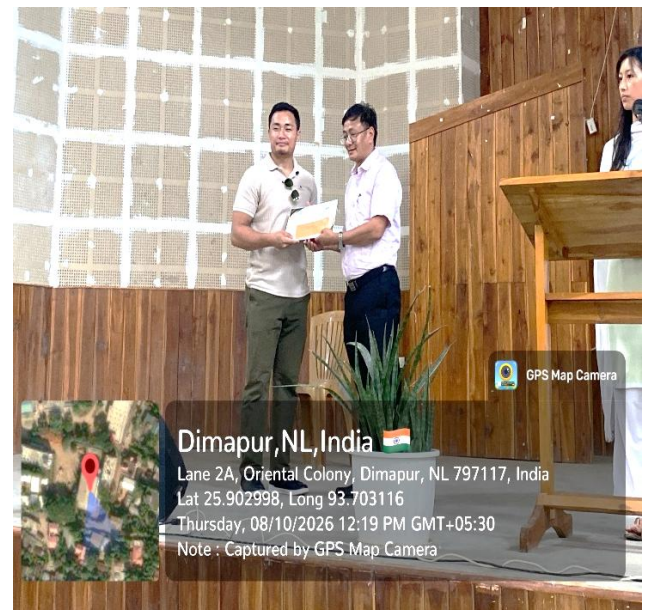

Picture 7. Review by the Principal, DGC.

Picture 8. Faculty, DGC witnessing the model.

Picture 9. Government High School, Sarbura, Dimapur, Nagaland.

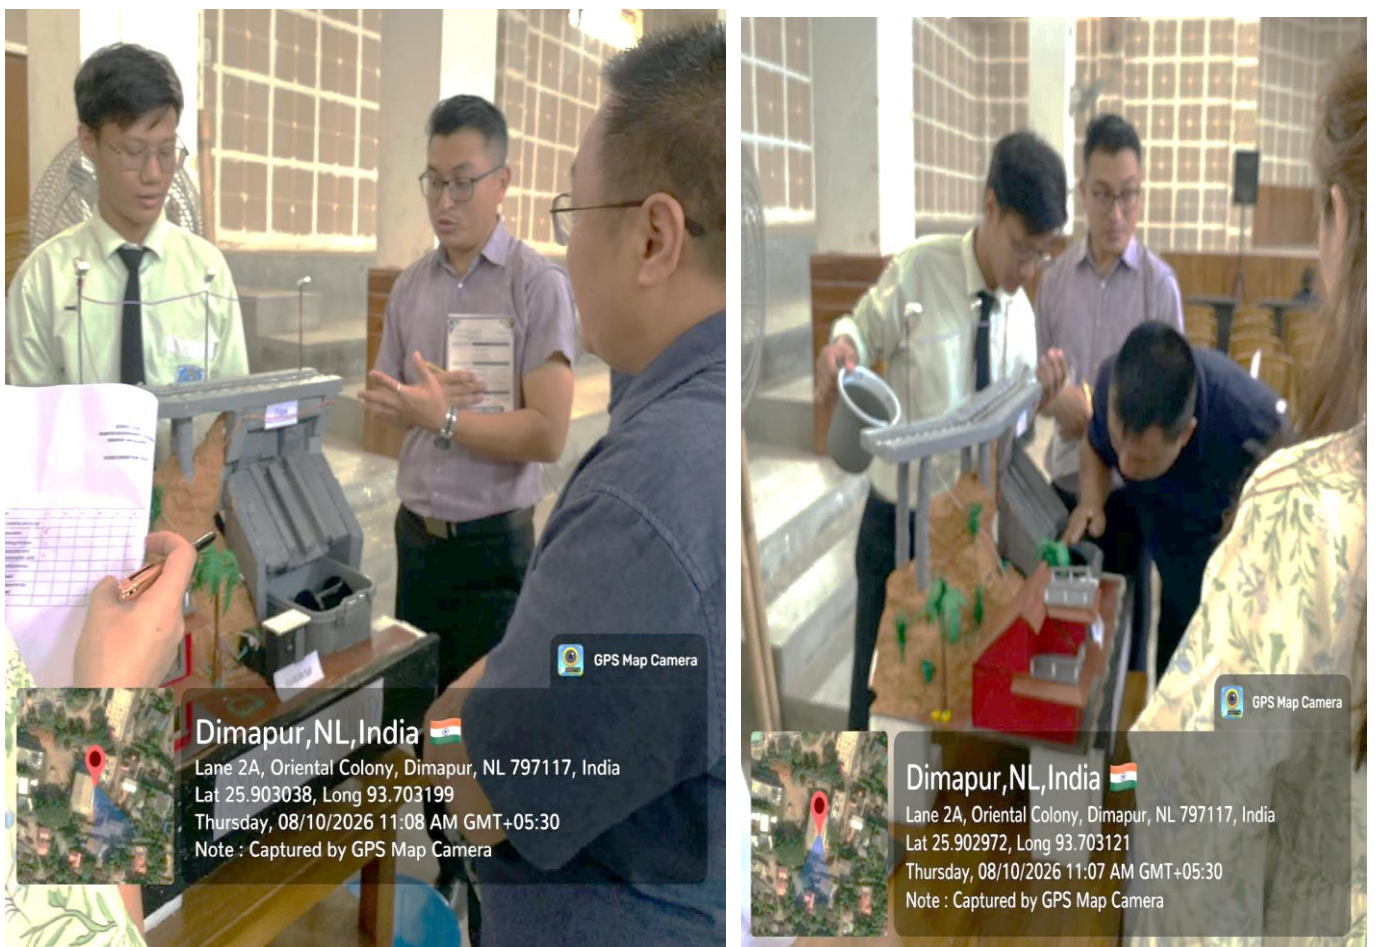

Picture 10. GHSS, Lengrijan, Dimapur, Nagaland.

Picture 11. Beanstalk School, Lengrijan, Dimapur, Nagaland.

Picture 12. Stepping Stones School, Duncan, Dimapur, Nagaland.

Picture 13. Review by the Judges during the Competition.

Picture 14. Declaration & Prize Distribution by Dr. H. Atoholi Sema, Convener, Science Club.

Picture 15. Winner (1st Prize) Group-2. Smart Sustainable City.

Picture 16. Winner (2nd Prize) Group-7. Carbon Emission.

Picture 17. Winner (3rd Prize) Group-10. Wind Turbine.

Picture 18. Vote of Thanks by Dr. Temjennaro Jamir, Assistant Prof., Dept. of Mathematics.

Picture 19. Principal with the Faculty members from Five Science Departments.

Picture 20. Organizers: Principal, Faculty from Five Science Departments, Secretary, Science Club & CR's.

SCIENCE EXHIBITION

Theme: "Fascinating Facets of Science"

Date:
8th October, 2026

Venue: Auditorium,
Dimapur Government College

Time:
10:00 AM onwards

I. INAUGURAL SESSION

10:00 AM - 10:30 AM

Chairperson:

Ms. Tsujang

B.Sc 3rd Semester, Mathematics Department

Opening Prayer:

Ms. Sumitra Sonar

Secretary, Science Club,
B.Sc 3rd Semester, Physics Department

Speech:

Special Guest

Dr. T. Tiakaba Jamir

Principal, Dimapur Government College, Dimapur

Special Song:

Ms. Awabenla & Ms. Thinkhela

B.Sc 1st Semester, Mathematics Department

II. SCIENTIFIC MODEL DISPLAY AND COMPETITION

10:30 AM - 12:00 PM

**Review by the Special Guest
&**

Review by the Judges:
(10:30 AM – 11:00 AM)

Open to All
(11:00 AM – 12:00 PM)

III. CLOSING SESSION

12:00 PM - 12:30 PM

Declaration & Prize Distribution:

Dr. H. Atoholi Sema

Convenor, Science Club, DGC
Assistant Professor, Department of Chemistry

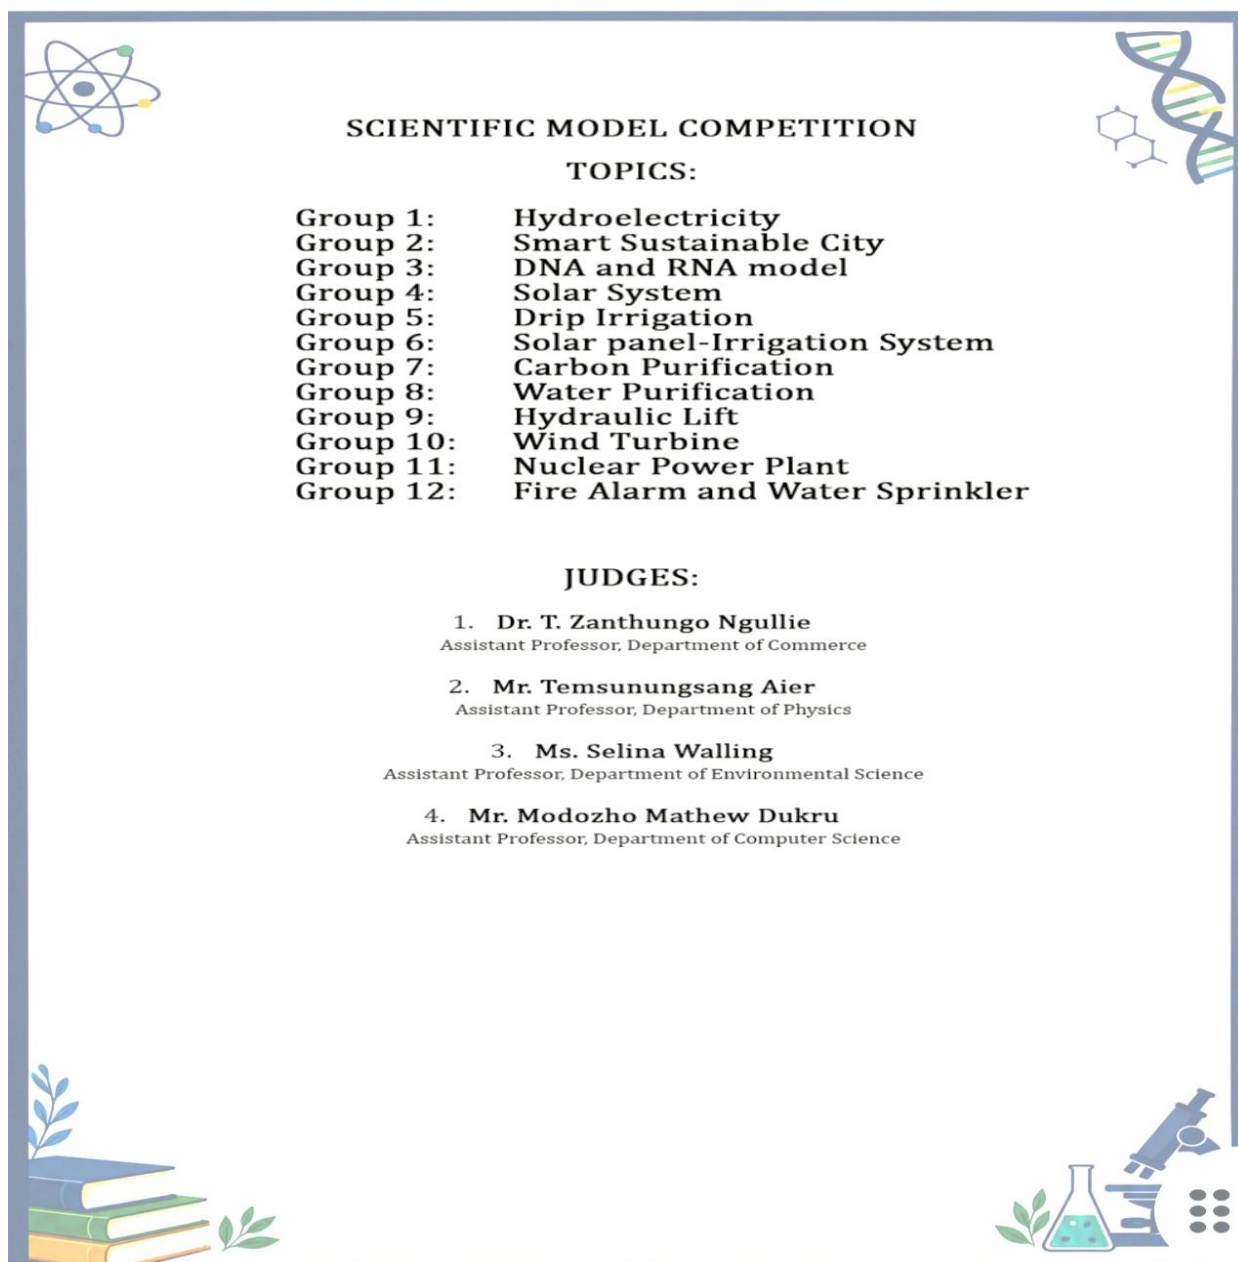

Vote of Thanks:

Dr. Temjennaro Jamir

Assistant Professor, Department of Mathematics

Picture 21. Program of the "Science Exhibition cum Scientific Model Competition"

Picture 22. Judges & Topics of the Scientific Model Competition.

Compiled by,

Sumitra Sonar

Secretary, Science Club

B.Sc. 3rd Semester
